

INSTRUCTIONS ON HOW TO BUY SOMETHING FROM THE STORE

- First thing you do if you wish to buy an item is click “add to cart” under the picture of the item. This will bring you to your shopping cart where everything you wish to buy will be saved.
- If you wish to continue shopping for other items, go to the bottom left and see a button "continue shopping", click on that and you'll be back in the store.
- After you have made all your selections that you wish to buy and you have clicked "add to cart", down on the right side of the page, under your list of items, is another button, "checkout" - click on that.
- This will bring you to a page where you enter your credit card information. After you have entered the information click "continue".
- This brings you to PayPal where you'll see your items and the total amount of all the things you have bought. If all is correct click the button "pay now".
- Bam, your done, PayPal sends me the confirmation of your payment and an invoice of the items you have bought. I fill your order in a timely manner and ship the items to you.
